

Appl No:10/783,003
Amdt dated January 25, 2006
In response to Action dated January 10, 2006

Remarks/Arguments

This amendment and remarks is in response to the office action of January 10, 2006.

Claims 24, 29, 30, 32-35 and 37-41 remain in the case. Claims 25-28, 31 and 36 have been canceled. New claims 42- has been added. Support for claim 42 is found in claims 24 and 33. Support for claims 43- 46 is found in claim 33.

Claims 25-28, 31 and 36 have been rejected under 35 USC 101 as claiming the same invention as the parent application. The cancellation of these claims overcomes the rejection.

Claims 24-41 have been rejected on the ground of nonstatutory obviousness-type double patenting. Applicants submit the attached terminal disclaimer to overcome the rejection.

Reconsideration and allowance of the claims is respectfully requested.

Respectfully submitted,

John Dana Hubbard
Attorney for Applicants
Reg. No. 30, 465
